ESTIMATED INVESTMENT: **€ 23,54 MILLION**

IMPLEMENTATION PERIOD: **24 MONTHS**

Luhansk
Regional
State
Administration

Ukraine **NOW** ua

Key facts:

Ownership: private

Location: Luhansk region, Starobilsk subregion

Brief overview:

The project has been implemented at the range of 50% by LLC "Geliant XXI". It is necessary to purchase and carry out installation works of European (90%) and Ukrainian (10%) equipment and to put into operation. Adherence to energy efficiency of technological process in production, use of alternative energy sources and promotion of cleanliness of the environment have a significant impact on the development of economy of Luhansk region and Starobilsk subregion.

All construction actions required for the installation of the equipment has been completed in its entirety.
